## Lusitan & Catalan Limestone Ceramics

Caliza Cerámica Lusitana y Catalana

Taking its name from the Portuguese and Catalan limestones, Bera&Beren is a minimalist and refined collection, included in Contemporary Mixtures Surfaces. It shows several finishes; Bera, with a semi-matte and even polishing; and Beren, which combines in perfect proportion mattes and subtle glosses in the grains and fossils spots. A unique quality through a careful selection of surfaces launched in 7 timeless stony colors with reduced shade variation.

It is capable of creating sophisticated settings with large format pieces, in which its design quality goes hand in hand with the highest performance. Mechanical properties and durability of natural limestone, suitable for its use as floor covering, are enhanced.

Haciendo referencia a las piedras calizas de origen portugués y catalán, Bera&Beren es una colección de estilo minimalista y refinado, incluida en Contemporary Mixtures Surfaces. Se revela en diferentes acabados; Bera, con un acabado semimate y homogéneo; y Beren, que combina en perfecta proporción los mates y los tenues brillos en las zonas de granos y fósiles. Una calidad única a través de una cuidadosa selección de superficies que se presentan en 7 colores pétreos atemporales de reducida destonificación.

Es capaz de crear espacios distinguidos con piezas de gran formato, en las que la calidad de su diseño no está reñida con las más altas prestaciones, mejorando las propiedades mecánicas y la durabilidad de la caliza natural, idóneas para su uso en pavimento.
